Town Clerk: Philip Peacock

9th June 2022

Dear Resident

REF: REBUILD AND REPAIR WORK ON PRIORY RD, CEMETARY BOUNDARY WALL

Please be advised that the Priory Road, Cemetery boundary wall is due to undergo some major repair work. Due to the size of the boundary wall, this work will form part of a long-term management scheme which commenced in May 2020, to maintain the wall and will be carried out in phases over the coming years.

Phase one was completed in June 2020 and we are now moving into phase 2 which is due to commence 13th June 2022. It is anticipated work will take approx. 8 weeks, concentrating on rebuilding from the curve of the wall down Priory Road. The narrow path will be closed during the work, with diversions signs for pedestrians to cross over to road and use the opposite pathway for their safety.

Should you have any questions prior to, or during the repair work, please contact the Town Council by calling 01480 411883 or by emailing town.council@huntingdowntown.gov.uk.

Kind regards

Huntingdon Town Council
